

Launch Ceremony of India-Maldives Pilot on Pre-Arrival Customs Data Exchange

Press release

India and Maldives pilot project on Pre-arrival Customs Data Exchange was launched on 23.12.2021 by Mr. Vivek Johri, Chairman of the Central Board of Indirect Taxes and Customs (CBIC), jointly with Head of the Maldives Customs Service, Mr. Abdulla Shareef.

The launch was made in a virtual ceremony hosted by CBIC. The project leverages technology which enables the two Customs Administrations to share customs data on real - time basis. It is expected to enhance facilitation of bilateral trade using risk management as well as aid compliance monitoring.

The event marks further deepening of bilateral ties between India and Maldives.
