**Subject: 'Implementation of automated clearance on all India basis'- reg.**

Attention of the importers, exporters, Customs Brokers and all other stakeholders is invited to Board's Circular No 05/2020-Customs dated 27.01.2020, wherein the facility of automated clearance was implemented on a pilot basis at two customs locations Chennai Customs House and Jawaharlal Nehru Customs House with effect from 06.02.2020. Now the Board has reviewed the implementation of the pilot roll-out of automated clearance at the two customs locations and issued Circular No. 15/2020-Customs dated 28.02.2020, through which it has been decided to extend the facility of automated clearance of Bills of Entry to all customs formations where the Customs EDI system is operational, **with effect from 05.03.2020.**

2. The important features of the automated clearance are as follows-

- i. All the Customs Compliance Verification (CCV) requirements under the Customs Act, rules, instructions etc. will be done by the designated proper officer of Customs.
- ii. The CCV would operate even while duty has not been paid or payment is under process.
- iii. After completion of CCV, the proper officer of customs, on satisfaction that the goods are ready for clearance, will confirm the completion of the CCV for the particular Bill of Entry in the Customs System.
- iv. On confirmation of payment of applicable duty, the Customs System will then electronically give clearance to the Bill of Entry.

3. In case of any difficulty, the specific issue may be brought to the notice of the undersigned.
